THE LADY ELIZABETH
SCHOOL

Dear Parent

New Parents' Information Meeting

May I wish you all a very warm welcome to the Senior School!

The object of the meeting is to inform parents of all the developments both academic and social that exist within the school and in particular those that affect their children in each year group.

We would like to invite new parents to attend the meeting so that they understand our system and can ask questions. **The meeting will take place in the Theatre starting at 15.30pm. It should last no longer than one hour.**

The Meeting will take place as follows: For KS3 and KS4 Monday 28 September 2015.

I will introduce the meetings and then you will hear from the Deputy Headmaster/Director of Studies, Mr Castle, the Head of Pastoral Care, Mrs Shapiro, and the Directora Técnica, Sra Triviño. Mrs Wickman will deliver the main information about the Sixth Form. The tutors of each relevant year group will also be in attendance.

With best wishes

Yours sincerely

Richard Wijeratne
