

ESL English as a Second Language

ESOL English for Speakers of Other Languages

There is such a wide variety of student's requirements that we aim to be as flexible as possible.

Students may wish only to maintain or improve their current level of language in which case they simply participate in the development of the four interdependent language skills: reading, listening, writing and speaking.

For those students wishing to receive a qualification we offer tuition to IGCSE or higher levels within the Cambridge University Suite of ESOL examinations, which are recognised internationally by both educational establishments and employers.

Examinations

The department offers tuition for the following:

- Cambridge IGCSE in English as a Second Language
- Cambridge ESOL Certificates for students of English as a Foreign Language
 - First Certificate in English FCE Council of Europe Level B2
 - Cambridge Advanced English CAE Council of Europe Level C1
 - Certificate of Proficiency in English CPE Council of Europe Level C2
