

7. Behaviour, Discipline and Rewards

What is the school approach to behaviour, discipline and rewards?

The school sets high expectations of good behaviour from all pupils. See the published expectations of behaviour for details.

The school uses a wide variety of ways to reward pupils for good work and behaviour, including praise by teachers, housepoints, achievement notifications on ENGAGE, Headmasters Awards in assembly and prizes at Prize Day.

You will be notified immediately via ENGAGE of any disciplinary sanctions applied to your child for poor work or behaviour.

For more details, please see the Behaviour and Discipline Policy.
